

June 24, 1976

Dear Jim,

STATINTL [redacted] came back from Houston ecstatic about his visit there. He was most appreciative of your help and he extended your best wishes for which I am very grateful.

I really like this new job; it is totally different than anything I have ever done before, but it is full and fascinating and this is a great institution.

Warm regards,

Sincerely,

STATINTL [redacted]

George Bush
